

## To obtain or check availability of the Lab/Collection centre details

### **Lab/Centre Registration**

Labs/Collection centres involved in Rapid Antibody Test should contact their respective District Magistrate (DM) or District Collector office who will guide them in the registration process. In case of to verify their Lab/Centre in the list, labs may contact their respective NIC District Information Officer (DIO), NIC State Informatics Officer (SIOs). A list of DIOs and SIOs is available at <https://www.nic.in/district-office/> or <https://www.nic.in/state-office/>.

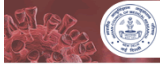

District Magistrate (DM)/ District Collectors (DCs) with their valid government email ID in the 'gov.in' or 'nic.in' domain is authorised to register lab sample collection centres/labs in their respective State/District. For DM/DC who doesn't have government email ID, may contact State Super Users for obtaining government email ID. NIC's SIO/DIO are empowered with read permission with their respective login credentials where they can also be approached to check.

The users with government email id in \*@gov.in or \*@nic.in like mayilmuthu@gov.in or muthu@nic.in will be able to login to the link <https://covid19cc.nic.in/>.

The screenshot shows the homepage of the COVID-19 Collection Centre for Rapid Antibody Test and RT-PCR. At the top, there are logos for ICMR (Indian Council of Medical Research) and the National Informatics Centre (NIC). The main heading is "Rapid Antibody Test of India". Below this, there are buttons for "Android App" and "iOS App". A "Welcome" message explains the purpose of the portal. To the right, there is a "User Login" section with input fields for "User ID", "Password", and "Captcha", along with a "Login" button. At the bottom, there are links to download the mobile app from Google Play and the App Store, and a footer stating that the portal is owned by ICMR and designed/hosted by NIC.

The Registered users will be able to view lab sample collection centres/labs in their respective State/District.

The screen will look like as below
